The book will be published by Simon & Schuster globally on 15th October 2020, with a paperback to follow in the summer of 2021. There are currently 23 Dork Diaries books printed in the UK, including a World Book Day special and five Double Dork collections. Last year, 2019, marked a decade of the series. Simon & Schuster also plans to release the sixth Double Dork Diaries edition in December 2020 as part of a major "Christmas of Dork" campaign. Griffiths said: "Dork Diaries continues to be one of Simon & Schuster's biggest children's brands, with a hugely loyal existing fanbase as well as an ever-growing readership as new fans discover the dork-tastic life of Nikki Maxwell. I'm thrilled that there will be a new dorky instalment in 2020 and am sure this latest book from Rachel Renée Russell will once again prove to be a huge global publishing moment for Simon & Schuster." The series has sold 2.4 million copies for £12.7m through Nielsen BookScan's UK Total Consumer Market, and the bestseller is 2016's Drama Queen, with 141,282 copies sold. rightsSimon & Schuster Children's UKWriters House FictionDB is committed to providing the best possible fiction reference information. Nikki has to hide seven ADORKABLE puppies from two parents, one nosy little sister, an entire middle school, and...one mean girl out for revenge, MacKenzie Hollister. If anyone can do it, it's Nikki...but not without some hilarious challenges along the way! I guess the book was okay, but it's a total ripoff of Diary of a Wimpy Kid. And there's WAY to much squealing. And in Diary of a Wimpy Kid, Greg (the main character) has a great sense of business, and worse things happen to him. Even if this book isn't a ripoff, it's still TRULY APPALLING. And the Art style... too Manga/gacha-ish. And in only SOME of the illustrations do the people actually have hands, the rest are like mittens. You could have literally put in, like, two more minutes and all your characters coulda had real hands. There only little problems in this review, but a lot of them, and so I can't give you a higher rating than two stars.... © © 2021 Simon & Schuster, Inc. All rights reserved. Maxwell Nikki Maxwell depicted in one of her styles The main character of the series and a new student at Westchester Country Day. Because Nikki feels completely out of place among all of the wealthy, designer clad students, she spends most of her time alone, writing in her diary. She despises her locker neighbor (and enemy), MacKenzie Hollister. Nikki is the most unpopular girl at her school (only slightly above the gym shower slime). Her secret is that she only attends the school because her dad arranged a scholarship as part of his contract as the bug exterminator. The stores she shops at are discount department ones such as Target. She has a major crush on Brandon Roberts. Her art skills are well above average and won WCD's art competition with the help of her friends in the first book. She is extremely bad at math. Nikki has a 6-year-old sister named Brianna, who is constantly causing trouble for Nikki. She is best friends with Chloe and Zoey and goes to art camp every summer. She has brown hair that is usually in pigtails and she is left-handed. MacKenzie Hollister The most popular girl at Westchester Country Day and the leader of the CCP (Cute, Cool & Popular) Clique. She has a locker next to Nikki's. MacKenzie always wears top designer outfits, carries expensive bags, and wears a lot of lip gloss. She too, has a crush on Brandon Roberts and tries to flirt with him by twirling her hair whenever possible. Mostly when Nikki is watching. MacKenzie does not like Nikki and calls her a dork. She talks behind Nikki's back and tries to wreck her life with the help of her best friend, Jessica. She has blonde hair, blue eyes, and an annoying little sister named Amanda, who is a lot like Brianna. MacKenzie is wealthy, spoiled, self-centered and mean. She entered the Avant-Garde Art competition and lost. Chloe Christina Garcia Nikki's best friend. Chloe is an avid reader and loves young adult romances. She is a self-proclaimed expert on guys and dating and works in the library with Nikki and Zoey. She is described as somewhat prissy and socially outcast. Her parents own a software company. She is the fifth most unpopular girl at Westchester Country Day. Zoeysha "Zoey" Ebony Franklin Zoey is Nikki's other best friend. She is super smart and also an avid reader, she loves self-help books, and is a self-proclaimed expert in psychology. Zoey works in the school library with Nikki and Chloe. Her mother is an attorney and her father is a record executive. Her parents are divorced. Zoey's the third most unpopular girl in the school. Due to the clarification that Zoey looks like Beyoncé in the second book, it is clear that she is African-American. Brandon Roberts Nikki's and MacKenzie's crush. He is not as impressed by MacKenzie as everybody else—it was an obvious note that he has more feelings for Nikki. In the second book, he asks her to the dance (see above). In the seventh book, he kissed Nikki. In the books, he is described as "super cute" with wavy hair and blue eyes. He is shy around Nikki. Brandon is a photographer for Westchester Middle School's newspaper, and the Dork Diaries: Tales From a Not-So-Talented Pop Star, it is revealed Brandon plays the drums and joins Nikki's band, "Actually, I'm Not Sure Yet". His parents died sometime before the series and he lives with his grandparents. He works in an animal center named Fuzzy Friends and loves being with the puppies there. Brianna Lynn Maxwell Nikki's bratty little 6-year-old sister. Brianna, is afraid of the tooth fairy because Nikki told her the tooth fairy collects children's teeth to make dentures for old people. She has a friend named Miss Penelope (which is her own hand with a face drawn on it with an ink pen). She thinks Brandon has cooties. Jessica Hunter The second highest-ranking CCPs at WCD and MacKenzie's best friend. She also dislikes Nikki and is more than super mean to her. Jessica has blonde hair and loves the color pink. Her last name (Hunter) was revealed in Dork Diaries 3 1/2: How to Dork Your Diary Violet Baker The most popular girl out of the most unpopular people. When she signs up to run for chairperson of WCD's Halloween dance, she loses to MacKenzie Hollister and signs up for clean-up committee instead. When MacKenzie quits, Violet becomes head of the entertainment committee. She has a huge iTunes collection and is in a wheelchair. She appears in the second and third book. In Dork Diaries: Tales From a Not So Talented Pop Star, it is revealed Violet plays the piano. She is the pianist in Nikki's band, Actually, I'm Not Sure Yet. Theodore L. Swagmire III One of the unpopular boys in WCD and one of Nikki's friends. He has a big crush on MacKenzie. He was later really happy to hear the bit of news that MacKenzie's date was the lead singer of the band, (as he was the lead singer) especially when he wanted to ask MacKenzie but was sure she would reject him. He is known for being the school nerd, and in Dork Diaries: Tales From a Not So Talented Pop Star, it is revealed he plays guitar. He is lead guitarist in Nikki's band, Actually, I'm Not Sure Yet. He hopes to one day go to Hogwarts. Marcy Simms Nikki meets Marcy through her post as Miss-Know-It-All. Marcy sends an anonymous letter to Miss Know-It-All, saying that she's new, being bullied by some other girls, and can't find friends. Nikki tells her to hang in there, and keeps a look out for the new girl. She soon finds it's Marcy, and invites her to Brandon's birthday party, where Marcy has a great time. Marcy is MacKenzie's assistant fashion director for the newspaper, but is bullied by MacKenzie, and is deemed to be unfashionable by the latter. Marcy wears sports glasses and has short hair. Reception, awards, and honors Kirkus Reviews' review of Tales from a Not-So-Fabulous Life praises the humor and ability to reflect upon early adolescence experiences well, saying "Nikki's journey of self-discovery will appeal to preadolescent readers struggling to find their places in the world."[4] As of August 2012, the Dork Diaries series has spent 43 weeks on The New York Times Best Seller list in the Children's Series category.[5] Book 1 Dork Diaries has been on the New York Times Best Sellers list for 42 weeks [6] and the USA Today Best Sellers list for 7 weeks.[7] It was awarded the 2010 Children's Choice Book of the Year Award for the 5th/6th grade division.[8] On February 10, 2011, it was nominated as Book of the Year by the Nickelodeon Kid's Choice Awards.[9] Book 2 Dork Diaries: Party Time has been on the New York Times Best Sellers list for 42 weeks [10] and the USA Today Best Sellers list for 12 weeks.[7] Books 1 and 2 appeared on The New York Times Best Seller list simultaneously for 17 weeks, with the former peaking at #4 and the latter at #2.
